

Garage-floor quote worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Property ZIP and approximate floor length and width

- ☐ Photos of the whole floor, visible cracks and peeling areas

- ☐ Existing paint or coating, with its product name if known

- ☐ The intended finish and whether steps or vertical edges are included

- ☐ Access dates and when people, stored items and vehicles need to return

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
